4. What was your favorite scene in the book AND WHY?

5. What do you consider worth remembering from this book? (It can be a lesson or just a good scene.)

6. I read the entire book. _____

(Signature of student)

* What makes a book a classic? The qualities that make a book memorable: unforgettable characters, top-notch writing and outstanding art work, are what make it a classic. And a book's staying power, its ability to remain popular generation after generation, is another clear indication that a book is destined to be a classic.
