

Dear CCS Friends and Family,

The Conestoga Athletic Booster Club is busy again working on plans and projects to help offset the cost of the athletic program and other projects at CCS. The CABC was formed in 2008 with the goal of raising funds for athletics and to glorify God through their involvement in school activities.

Over the past 3 years the CABC has been part of the following initiatives:

- Helped Purchase a New/Used School Bus
- Purchased new first aid kits
- Helped build new concession stand – also used for School storage & auction items
- Obtained a 52” Toro Mower – have you noticed our soccer field...
- Help provide for the Annual CCS High School Sports Banquet
- Provide Conestoga Fleece Blankets to graduating athletes

You can be part of the excitement by joining the CABC today. There are 3 levels of membership for you to consider:

1. Bronze Membership: \$25 - Patrons receive recognition in our sports program and a CCS travel mug.
2. Silver Membership: \$50 - Patrons receive recognition in our sports program, a small gift and a family pass for entrance into all CCS Home regular season games.
3. Gold Membership: \$100 - Patrons receive recognition in our sports program, a small gift, a family athletic pass and a CABC Booster fleece.

To join please contact Athletic Director Phil Yoder today!
