Computers for Sale

CCS (still) has (an even more limited) limited number of LG "Chromebase" computers for sale to CCS families. These "all-in-one" desktop models run the Chrome operating system just like our Chromebooks. We used to have them in a computer lab, but now are making them available to our families. The units have a 21.5" diagonal screen (which includes the CPU) a keyboard and a mouse. This may be helpful for families who have multiple students who need access to a computer for schoolwork. They will be removed from the school management and can be signed into with any Google account. If you are interested in purchasing one of these computers for \$75 please contact Mrs. Lodge at the email at the bottom of the newsletter.

School Starts

When??? **8:00AM**

8:00 AM. That is when school begins each and every school day. You will have received an email from Mr. Parris this week reminding you all of this important time. Mr. Parris asks, "PLEASE help us by leaving a little earlier for school. We have teachers on duty beginning at 7:30 am in the gym. You would help out our teachers by having your students here at school by 7:50, not 8:00 - give your students 10 minutes to come in and get their materials together before the 1st bell rings." Thank you!

Picture Retakes

If you missed the first picture day and will be having your picture taken for the first time on picture retake day, November 16, photos can be ordered online at mylifetouch.com using the "Picture Day ID" of EVT83GQWX.

If you had your picture taken on the original Picture Day but want a retake, just bring your first (less than ideal) picture with you on November 16. The picture folks will take it from there. **Class composites will come in after retakes!**

Poinsettia Sale

Once again our **Junior Class is selling beautiful high quality poinsettias** for Christmas. See the order form [HERE](#) to make your choices and place your order. The poinsettias come in four different colors. Orders are due by November 19th.

Poinsettias can be picked up on Wednesday, December 8th, 2021, from 9:00 AM to 4:00 PM.

Busing Request

If you are in the Coatesville Area School District please check your email for an important request and survey from the district. The purpose of this survey is to determine which families do not utilize bus transportation and are willing to release their child's seat. They ask that you please fill out a new form for each student, no later than today, Friday, October 29, 2021. Links are in their email.

Musical Congrats

CCS senior **Charlie Hill** auditioned for **PMEA District 7 Choir and was ranked 2nd in the District!** He'll be representing CCS at the District 7 Choir festival in February, and will be auditioning for the Regional choir (the next step) around that time as well. Congratulations, Charlie!

Fall Sports Conclude

This week our student councils in middle school and high school celebrated all of the students who participated in fall sports. The athletes stood up in chapel and were applauded by their peers. Doughnuts and chips were given to the athletes. **Go Cougars!**

Where's my Hoodie?

Lost and Found items which have accumulated are on display in the hall between the office and the library. **Please pick up the items that belong to you** and take them home. Leftover items will be donated to the Morgantown ReUzit Shoppe.

After School Pick-up Reminder

Parents remember that if you are picking up your student at dismissal after school, **you should not enter the parking lot while there are still buses in the lot.** If you arrive at the school while the buses are still in the lot, you should go to Conestoga Mennonite Church, east of the school, and get in line with the other cars waiting for the buses to exit the school parking lot.

Once cars enter the lot, there are three lines:

The line closest to the HS building is for cars picking up elementary students only.

The next line over, right beside the first line, is for cars with elementary and MS or HS students.

Character Trait:
~ Diligence ~

The last line, in the row closest to route 23, is for MS and HS students only.

If you send someone else in your place, such as a grandparent, to pick up your student(s), please inform them of the afternoon pick up procedures as well as what to do if they arrive while buses are still in the school parking lot.

Run for a Cause

CCS preschool teacher, Christen Wayman, is heading up the Chester County Women's Services Walk/Run 5K for life on **Saturday, November 13th**. She reached out to see if CCS would be willing to get a team together. Mrs. Turner said, "OF COURSE!"

The race is to help raise funds for this organization which helps to counsel women through unexpected pregnancies.

Staff, parents, and students can get involved on the CCS team. This is a run/walk 5K. Go at your own pace!

Click [HERE](#) to sign up. Contact Mrs. Wayman or Mrs. Turner (our team captain) with any questions.

TEAM NAME: Conestoga Christian Cougars--> sign up with the team to get a discount on the race!
