

BUSING RULES FOR INCLEMENT WEATHER

YOUR SCHOOL DISTRICT IS CLOSED DUE TO THE WEATHER BUT CCS IS OPEN

District will not provide any busing.

The student needs to be transported by car or remain home. Absence would be excused.

IF YOUR DISTRICT IS OPEN BUT CCS IS CLOSED

Districts may still send a bus if it is not a CCS only bus. Check the CCS website for updates.

IF YOUR SCHOOL DISTRICT IS ON A TWO HOUR DELAY BUT CCS IS NOT

Busing will be delayed two hours. The lateness is excused.

IF YOUR SCHOOL DISTRICT IS NOT ON A TWO HOUR DELAY BUT CCS IS

Districts will only bus on their schedule. You would be responsible for the later morning transportation. It is important to remember that the driver may still allow the student on the bus but no one would be at CCS. Keep informed by checking websites

IF YOUR DISTRICT HAS AN EMERGENCY EARLY DISMISSAL

Students will leave early and be bused home only if they are typically a bus rider that day of the week.

If you want to change this, meaning you do not want your child to leave early, you will need to email the office to prevent the child from being bused. The early departure is excused.

IF YOUR DISTRICT IS NOT CLOSING EARLY BUT CCS IS

You will have received emergency notification and will need to pick up your student if your district is not closing at approximately the same time. Keep informed by checking websites.

***IF YOUR SCHOOL DISTRICT HAS AN INSERVICE DAY** it is not closed and will provide busing because this is not an emergency or weather related condition.
