PowderPuff Football

Last week the high school girls went out on the field for a PowderPuff football tournament. The final game pitted the seniors against the juniors. The juniors were victorious. Congratulations! See more photos of the games on our [Facebook page](#).

Last Chance

This is your last chance to support your Physical Education department by purchasing some **impressive CCS Cougar gear**! See all your choices [HERE](#).

Cougar gear is a great way to show school spirit and will make an **AWESOME** Christmas gift!

Please print and fill out the order sheet [HERE](#) with the appropriate sizes and numbers of each item you desire. Please enclose cash or checks made out to Conestoga Christian School and **get orders to Mrs. Turner, by Wednesday, November 9th**. Orders will be in and disbursed no later than Friday, December 2nd. Due to some product demands and shipping issues, some items may be subject to change. However, we will do our best to get everything to you that you order.

Picture Day #2

Seniors, 3 year old PS students, and those wanting retakes have picture day on Tuesday, November 15. If you haven't registered yet for pictures, you may register online at [mylifetouch.com](#) using the "Picture Day ID" of **EVTD84HGF**.

If you want a **retake** simply return your original package to the photographer on Retake Day. It's that easy!

Composites will be delivered after Retake Day.

Poinsettias

The Junior Class is selling poinsettias for the Christmas season. These high quality florist grade plants make a perfect gift for

anyone! You can order online [HERE](#), or print out a form [HERE](#), or just get in touch with one of our amazing juniors. They appreciate your support.

Fall Drama

Come on out on November 10 & 11 at 7 PM to see our fall play, **GET YOUR ACT TOGETHER!** Tickets will be available at the door. This play is the **first ever collaborative effort of writing** between a director (Mrs. Shinn) and the cast (aka the Fabulous Five).

It is a show about exactly that, students and a director working together to devise a play that meets the virtuous standards of a Christian high school. Some strong self focused egos eventually realize that their God given talents can best be shared in a way that honors everyone's unique abilities.

This show has it all: *Acting, Dancing, Comedy, and Sports!* Mostly it shows what can happen when students spend intense amounts of time together working toward a common goal. **Support live theater and have a family night out.**

Hero's Journey

Nine seniors worked hard as a team to produce this **floor-to-ceiling poster about The Odyssey**. The World Literature course is in its first year here at CCS, and students are having a blast learning about how Odys-

seus follows the path of the "Hero's Journey." The course will continue to look at literature from all over the world, both old and new!

Health Screening

Health screening is happening on November 10. The PA Public School Code requires certain school health services

for all children of school age, regardless of the school setting. This includes health screenings for growth, hearing, scoliosis, TB, and vision. Please contact Lisa Gardner with any questions.

Scientific Pursuits

Scientific theories are not abstract as they can be tested and learned. Students from Applied Science and Chemis-

try were recently elaborating the concepts they have learned in those classes.

Physics class has lab on Tuesdays. They are learning about friction in 2D so they experienced hands on experimentation in four different lab stations.

A Special Way to Reach Out

Are you gearing up for Christmas? **You can be a blessing to those in homeless shelters and nursing homes** by making cards for them. You can create the card from scratch
