Chicken Store

The opportunity to order your Chicken BBQ dinner online at our [Chicken BBQ Store](#) will end at

8AM on Monday October 10. **Remember, each CCS family is required to buy or sell SIX (6) full dinners.** Share the link with your friends and family so that they can order this weekend. You can also just direct them to [our website](#) and tell them to look under the "Events" tab for a direct link to the "Chicken BBQ Store." After the store closes, as long as we still have dinners, they will be available at the door until sold out.

Ice Cream Social

Parents of all school levels, and teachers too, got together on Wednesday night for our first-ever Parent Ice Cream Social.

Mr. Parris says, "It was a wonderful evening and a chance to build community. There was a lot of laughing, information sharing, and of course, praying, which is why we are here."

Guidance Office News

CCS juniors will be having **PSAT testing** on Wednesday Oct 12. Students will be taking this exam at Brick Lane Church. Mr. Greenly would also like to direct parents to the [guidance website](#) this week as he has several different colleges and universities coming to campus in the near future to give presentations to interested junior or senior students. There is a sign up sheet posted outside Mr. Greenly's office.

8th Grade Authors

To culminate their short story unit in language arts, the 8th grade class wrote their own fictional short stories. These stories are all their own creative pieces, and Mrs. Houck is so proud of the work they all put into their writing. She is so impressed by their creativity! She created a website where you can read their writing. Take some time to check out their hard work! [Click HERE to see it!](#)

Reaching Out

Last Friday, the Lord provided an opportunity for the middle school Sunny Crest Service group to travel to Sunny Crest Home for a collective birthday party, celebrating the birthdays of over 50 residents! The students helped to make handmade cards that were addressed to each one with personal artwork and

encouraging messages. The festivities at Sunny Crest included kickball and bingo games, which the students were heavily involved in running and helping with. **They worked to build relationships and community by meeting new friends and spending time together in service to residents of all ages.**

Reading Endurance

Both 2nd grades celebrated building 20 minutes of reading stamina by having a reading party this week! The boys read together in Mrs. Booz's room and the

girls cozied up in Miss Jones's room. They shared their favorite books and stuffies from home and enjoyed read-alouds by their teachers!

Ancient Egypt

Students in Mr. Focht's World History class in middle school recently finished studying ancient Egypt. They worked in groups to re-create the pyramids, and also combined that study with a study of Joseph from the Old Testament. Each group did a slideshow presentation of their findings and integrated that with their creative pyramids. Great job!

Student Leaders

This week the middle school student council went off campus with their advisors for lunch and to plan events for the middle school for the coming year.
