

Conestoga Christian School

REDEFINING CHRISTIAN EDUCATION

Thank you for your donation

Conestoga's budget has always been linked to tuition dollars. Tuition brings in approximately 80% of Conestoga's income annually. Through community and corporate partnerships our goal is to achieve the following:

1. Reduce dependency on enrollment/tuition revenue.
2. Help needy families remain at CCS rather than having to look at other options.
3. Plan for the long term financial stability of the school through the Endowment Fund.
4. Start addressing long-overdue upgrades to our facilities, and embark on a capital campaign.

If you or your organization is willing to partner with Conestoga Christian School and support our school by giving to our Annual Fund, Steps of Faith - Scholarship Fund, Endowment Fund, Capital Campaign, or area of your choosing you can donate online or using this form. If you would like to mail in your donation please print it out and return this form to Conestoga Christian School along with your donation. All donations are tax deductible.
