for submitting all supporting documentation to FAST is Monday, May 15. Types of documentation requested include, but are not limited to, your most recent federal and state tax returns and W-2s. Achievement Tests

Achievement tests will be administered April 24-27 for grades K-8. Attendance is important for these days. Please encourage your student to have a good night's sleep and a healthy breakfast.

PSAT for 9 & 10

The annual PSAT testing for 9th and 10th graders is slated for next Friday April 21st. Students will need to bring an approved calculator to the exam with them. The school does not provide calculators. Mr. Greenly has uploaded a link on his [guidance page](#) for a list of approved calculators that students can use on test day. The link is located under the [upcoming guidance events](#) tab. The test will be held at Conestoga Mennonite Church. Students will meet in homerooms and then they will walk across to the church as a group.
