Science Explorers

Our new elementary **Science Explorers Club** is starting next week on November 2 and will be held on Wednesdays after school in Room 213 for students in K-5th grades.

Our first club is called **Adventures in Science**, and we will be learning about science through lots of fun activities in subjects including oceanography, circuitry, physics, chemistry, biology and more!

On October 20th the third grade class enjoyed picking pumpkins and apples at Weaver's Orchard. They got to enjoy lunch on the Nafziger Farm with sheep, cows, goats, turkeys and chickens. The class finished up at Buck Hollow Llamas, where they had a Llamazing time. Llama fun fact: Llama's give nose kisses. (Nose to Nose)

If you are interested in joining us, be sure to sign up soon at ScienceExplorers.com, as we do have a maximum number of Explorers that we can accommodate. Questions? please contact Mrs. Sunshine Smiley at kathy.smiley@conestogachristian.net

We can't wait to see you soon! Remember, **SCIENCE ROCKS!**

Cell Phone Reminder

It's good to be reminded of the CCS cell phone policy from time to time. Here is our policy:

Students in grades PS -12 must **turn off their cell phones during the school day** between 7:50AM – 2:40PM. Parents are not to call or text their student's cell phone during the school day. With teacher permission, students may use their cell phones, but that use is restricted to the classroom.

Cell phones may be used during school hours of 7:30PM -7:50AM and 2:40 pm-3:00 pm, but the **use of head phones or ear buds is not allowed** during this time unless specific permission is granted.

No phones in bathrooms or locker rooms during the school day.

Pick 'Em Up, Drop 'Em Off

Did you loan a cooler to the school for the auction? Please come and pick it up behind the main building. Did you take a yard sign to advertise the auction? Please drop it back off at the school so we can use it again. Thank you!

Event Canceled

If you had marked your calendars for a night at the Reading Royals, get out your eraser. That event has been canceled. Stay tuned for new events that may come up as the year goes on.
