☞ **CLASS BASKETS:** Thank you to all the parents who have already volunteered to put together your child's class basket! The grades that are still in need

of a "Class Basket Parent" are: 2nd (Miss Jones), 3rd, 4th, 5th and 8th. Please consider serving your child's class and the school in this way. If you

are interested, please contact Cindy Carter at cindycarter1@gmail.com. All Class Basket parents receive \$75 in seed money, along with a packet of information to help you get started.

☞ **SOMETHING BIG:** Our auction always benefits from having that "big item" to draw our community in and help the school to meet our financial goal. You may ask yourself, "What item(s) would I be excited to bid on at the CCS auction?" Is it a travel package, behind-the-stadium tour of your favorite sports team or another unique experience? WHO do you know that may be willing to donate an item or an experience to benefit our students? If you have an item or an idea to pursue, please contact Heather Schreier at: heather.schreier@conestogachristian.net

HANDMADE ITEMS:

Anyone, including students can make and donate handmade items for this part of the sale. Reach out to Michele Levan with any questions at sheepgirlmichele@gmail.com.

"Wood" You be Able to Help?

Does anyone have any wood that could be used in the Woodshop and/or Horticulture class?

Not lumber..... but wood like, but limited to, pine, cedar, poplar, teak, mahogany, 1/4" birch plywood, 1/2" birch plywood. Hardwoods, Softwoods, we have a real need with the number of projects planned for the year.

Sense of Direction

The 6th graders of Mr. Focht's geography class had the opportunity to have some **hands-on learning** last week. As the students studied the cardinal directions in class, they learned how to make a compass by magnetizing a sewing needle.

They found true north and no one got stuck!
